

Geography Long Term Plan

EYFS (Understanding the World – People, Culture and Communities)

AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
Welcome to Orchard! What's my school like?	Dark Nights, Bright Lights	999 Emergency People in our community	If You Go Down to the Woods What do other places in the world look like? Making maps of stories	In the Garden What does a map show? Making a map	
Stories set in different places in the world					

KEY STAGE 1

YEAR A				
AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2 & SUMMER 1	SUMMER 2
Oh I do Like to be Beside the Seaside	Once Upon a Time	Under the Sea	Adventure is out there	Wild Things
<p>Locational knowledge</p> <ul style="list-style-type: none"> - name and locate the world's seven continents and five oceans - name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding seas <p>Human and physical geography</p> <ul style="list-style-type: none"> -use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather - key human features, including: city, town, village, 	No Geography	<p>Geographical skills and fieldwork</p> <ul style="list-style-type: none"> - use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage <p>Locational knowledge</p> <ul style="list-style-type: none"> - name and locate the world's seven continents and five oceans - name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas 	<p>Locational knowledge</p> <ul style="list-style-type: none"> - name and locate the world's seven continents and five oceans - name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas <p>Human and physical geography</p> <ul style="list-style-type: none"> -use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather - key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop <p>Place knowledge (Antarctica)</p> <ul style="list-style-type: none"> - understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country 	<p>Human and physical geography</p> <ul style="list-style-type: none"> -identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles <p>Place knowledge (Madagascar)</p> <ul style="list-style-type: none"> - understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country

<p>factory, farm, house, office, port, harbour and shop</p>			<ul style="list-style-type: none"> - use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map - use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key - use simple fieldwork and observational skills to study the geography of their school and its grounds 	
---	--	--	--	--

YEAR B

AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2 & SUMMER 1	SUMMER 2
Green Fingers	Super Hero Me	Ice, Ice Baby	Jurassic World	Donington Detectives
<p>Human and physical geography</p> <p>-identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles <u>(exploring how climate affects the food produce grown in certain countries)</u></p>	<p>No Geography</p>	<p>Locational knowledge</p> <p>- name and locate the world's seven continents and five oceans</p> <p>Human and physical geography</p> <p>-identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</p> <p>Human and physical geography</p> <p>-use basic geographical vocabulary to refer to: key physical features, sea, ocean, season and weather</p> <p>- key human features, including: city, port, harbour</p>	<p>Locational knowledge</p> <p>- name and locate the world's seven continents and five oceans</p>	<p>Place knowledge</p> <p>- understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom <u>(Castle Donington)</u></p> <p>Geographical skills and fieldwork</p> <p>use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map</p> <p>- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key</p> <p>- use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.</p>

LOWER KEY STAGE 2

YEAR A					
AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER	
Earth Rocks!	Road Trip USA	The Flintstones	Raiders & Traders	Where the Rainforest Meets the Sea	
<p style="text-align: center;">Human and physical geography</p> <p>Describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</p> <p>Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p>	<p style="text-align: center;">Human and physical geography</p> <p>Describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</p> <p>Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p> <p style="text-align: center;">Place Knowledge</p> <p>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America</p>	No Geography	Mapwork linked to the History Unit	<p style="text-align: center;">Place Knowledge</p> <p>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America</p> <p style="text-align: center;">Human and physical geography</p> <p>Describe and understand key aspects of: Physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</p> <p>Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p>	
YEAR B					
AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
Marvellous Me	The Fabulous Pharaohs	Lights, Camera, Action!	May the Force Be With You	The Rampaging Romans	Location Location
No Geography	<p style="text-align: center;">Human and physical geography</p> <p>Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p>	No Geography	No Geography	<p style="text-align: center;">Place Knowledge</p> <p>Understand geographical similarities and differences through the study of human and physical geography of a region of the</p>	<p style="text-align: center;">Location Knowledge</p> <p>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics,</p>

	<p style="text-align: center;">Location Knowledge</p> <p>Locate the world's countries, using maps to focus on Africa and the location of Egypt, concentrating on its key physical and human characteristics and major cities</p> <p>Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)</p>			<p>UK, a region in a European country, and a region within North or South America <u>(Rome)</u></p>	<p>key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time</p> <p>Geographical skills and fieldwork</p> <p>Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world</p> <p>Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies</p>
